QUESTIONS

1. Please describe your Quota Cares Month Project (who, what, where, when, why, how). Please fully explain all service and fundraising activities.

Our club sold Avon products during the month of March. Proceeds in the amount of \$252.67 from the fundraiser are being donated to the Abel Center. See brochure of the Abel Center (attached.) We also received a donation of \$25.00 for the fundraiser.

Our club was very honored to receive a proclamation from the Honorable Governor Joe Manchin declaring March as Quota Cares Month, (See attachments)

Our Club also received proclamations from the Mercer County Commission and the City of Princeton declaring March as Quota Cares Month. (See attachments)

2. Did your club plan any recruitment activities surrounding this project? If so, please describe. Did you recruit any new members?

Yes. On each Avon order, we attached a tag that told about Quota.

We recruited one new member during the month of March.

3. Did your club plan any public relations/community education/or media activities surrounding this project? If so, please describe.

Yes, Pictures of Connie Pace, President and Carol McKinney, Committee Chair were in the Princeton Times and Bluefield Daily Telegraph accepting proclamations from Governor Manchin and the Mercer County Commission. (See attachments)

4. Please describe how this project benefited (1) your club and its operations and (2) your members and their morale. (Include member or citizen testimonials, if desired.) What percentage of your club's members were involved in some aspect of this project or related activities?

Our Club has been active in the community for many years, helping whenever we can. Quota Cares Month gave us the opportunity to refresh the public's memory by giving us the opportunity to make Quota more visible in the community.

We had good participation from our members during Quota Cares Month. Our members worked together making our project run smooth. Everyone's participation has made this project possible. Some members were ill, otherwise we would have had 100 percent participation. Anytime our Club has a project our members are always willing to help.
