

# QUOTA INTERNATIONAL OF OPOTIKI

P.O. BOX 188, OPOTIKI 3092, NEW ZEALAND

## VOLUNTEER OF THE YEAR

Quota International of Opotiki names Florence Craig as our Volunteer of the Year for the work she does for our annual Book Fest where we sell second hand books. She has been a member since 1992 and over the years has several times achieved 100% attendance. She has attended many District conferences, been Club president, served on several committees and excelled as Chairman of the Ways and Means committee and organizer of the annual Book Fest.

Her work for this event never stops as we are given books throughout the year and Florence collects them, sorts and packs away for the Book Fest over the Christmas New Year holidays. She organizes a working party to set up the tables, a roster for the two weeks of selling and arranges to pack the remaining books when it is all over.

During the two weeks, she rings the night before to remind the people who are working the next day, calls in to see how things are going, takes in cakes a biscuits for morning and afternoon teas, takes care of the "friends of Quota" who help on the roster and takes her turn on duty.

When it is all over she stores the books at her home and starts planning for the next sale. She acknowledges the "friends of Quota" with a small gift.

Although Florence is very involved with the Book Fest she fully participates in all other club activities and is active in other community organizations.
