JUNE O. SHOTT

The membership of Quota International of South Bluefield, Inc. takes great pleasure in nominating June O. Shott for the 2007 Volunteer of the Year Award. June quietly and repeatedly gives of herself, her time and resources when the community needs them.

June joined Quota in May 1984 as a charter member and has continuously served in numerous capacities. She is truly a member that exhibits the Quota Objectives in all facets of her life. During her Presidency, 1988-1989, she was instrumental in establishing and funding a \$50,000 non-profit foundation for the club. Interest from the foundation's assets is used to support hearing and local charities.

Ms Shott serves on Board of Directors for thirty local organizations. Not only is she generous with her resources, she spends endless hours volunteering:

- Selling American Cancer Society jonquils
- Participating in telethons for MD and local charities
- Working with senior citizens Golden Age Club
- Painting scenery and characters for Holiday Festival of Lights
- Decorating Christmas trees, collecting Community Christmas Tree funds to provide gifts for underprivileged youth.

June has a great spirit and does not seek or expect recognition for her philanthropy and volunteering however; she has received numerous awards. She touches everyone she meets and they love her. Her greatest joy in life is doing for others. She has an incredible, unshakable faith in the power of individuals to make a difference. She has the ability to set the ideal as her frame of reference and makes you believe the ideal is possible.
