

As Charter President of QIM Manila South in 1993, MARILOU DEL ROSARIO, together with the founding officers and members, laid a solid groundwork for the Club to evolve into one of the most active Quota Clubs.

On a Club level, Marilou served as President for three terms, as Ways & Means Chairperson for two terms and is currently the Secretariat Committee Chairperson for the 16th District Conference to be held in Baguio City come April 2010.

With daughter, Vernice, the mother-daughter tandem serves as an inspiration to other Club members to extend their desire to be of service to their family members as well.

On an international level, Marilou was appointed by Quota International as Chairperson, International World Service Committee for the Disadvantaged Women and Children (2005-2007) and Member, International Voting Task Force Committee (2006-2007).

On the District 41 level, Marilou rose from the rank of District Secretary/Treasurer (1999-2001) to Lt. Governor (2001-2003) and as District Governor (2003-2005). She was also a Member, Organizational Linkages Task Force (2006-2007).

On a personal level, Marilou is a recognized leader in the national and international circles of Quota. Her readiness to assist in all aspects and areas of service undertaken by QIMS, her strength of character, compassion towards the needy, attention to detail and ability to motivate and mobilize the Club to action, is a testament to her leadership and devotion to the ideals of Quota.

For Marilou, Quota is a way of life.
